
About Shoo Bear Fundraising

Shoo Bear is the 'brainchild' of Karen Tompkins. Karen is a teacher with a background in Special Education as well as Arts Across the Curriculum. She has devoted her career to ensuring that students of all ages believe that "different is just different.. it is not a judgement."

Her older daughter, Erin, has Joubert Syndrome [www.jsfrcd.org] and has struggled with "Why did God make me different? I don't want to be different!"

The book, and now this fundraising vehicle, is in response to wanting to help all people celebrate their differences.

Choose Books!

The most important time an adult spends with a child often includes books. Your fundraiser will encourage families to connect and share a common experience. You just can't get that from chocolate and wrapping paper!

By choosing a Shoo Bear Fundraiser, your group is also supporting inclusion, education and the family values that bring your group together.

With Shoo Bear Fundraisers, your group will receive all the tools necessary to have a successful fundraising experience.

How it Works☺

The book, Different is Just Different retails at \$7.50. As a Shoo Bear Fundraiser, books are purchased in sets of 100 books and sold for \$4 a book! Your group then sells each book for up to \$10 dollars.

That's a \$6 profit per book!!

When you begin your fundraiser, you automatically receive promotional material to assist in a successful experience for the fundraising organizers.

Promotional Materials: Templates

- *Flyer template announcing the upcoming fundraiser.
- *Order form template.
- *Tracking sheet template for the organizers

Book Sets

Books are purchased in sets of 100 and must be paid for before being shipped to your group. Your group can choose!
